FROM: Julian C. Nall  
National Intelligence Officer for Science & Technology

SUBJECT: IIM: East European Contributions to Soviet Technology Development (formerly NIE 12/11-9-87)

1. Attached is the Subject draft for your review. This revised draft reflects our understanding of your collective wishes as expressed at our meeting on 16 September 1987. Specifically, the new draft:

- includes a "Volume II" with the substantive back-up to Volume I.
- incorporates substantive contributions which some of you made.
- responds to the DDCI's suggestion (as discussed at the 16 September meeting) that we differentiate the six countries in four areas. See the boxed text foldout in Volume I.

2. We have scheduled coordination meetings for the IIM as follows:

Wednesday, 13 January - Room 7E62  
Thursday, 14 January - Room 7D32  
Friday, 22 January - Room 7D32

All meetings will be held at CIA Headquarters, from 0930-1700. We plan to complete coordination on Volume II on the first two days, and then take up Volume I on the third day.
